# SAFETY EYEWEAR

## BILLINGS™ (Industrial)

The Billings provides a great economical option, without sacrificing style, for a wide variety of applications. It features a lightweight, frameless design with wrap-around coverage for superior protection. Clear, gray and sandstone bronze lenses are available, with anti-fog options on clear and gray lenses. Meets ANSI Z87.1 High Impact Requirements and CAN/CSA Z94.3-07.

Industrial models  

**CH110S/CH110ST** (Anti-Fog)  
Clear Lens with Clear Temples

**CH120S/CH120ST** (Anti-Fog)  
Gray Lens with Gray Temples

**CH118S**  
Sandstone Bronze Lens with Sandstone  
Bronze Temples

## CARBONDALE™ (Industrial)

The flexible, dual-injected temples and stylish clean lines of the Carbondale make this full-frame a perfect fit for the toughest of jobs. The comfortable fit and stylish, two-tone frame of the Carbondale is accentuated by the flexible rubber nosepiece. Clear, gray and sandstone bronze lenses are available, with anti-fog options on clear and gray lenses. Meets ANSI Z87.1 High Impact Requirements.

Industrial models
